ACTIVITIES IN SCHOOL

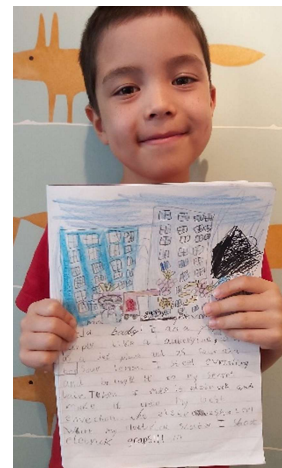

The small group of children in school marked International Nurse's Week by learning about what nurses do for us and making some posters and costumes to celebrate them.

They also made their own mazes, thought about healthy eating by making their own fruit smoothies, as well as creating lots of great art work.

We continue to be very grateful for the vital work these children's parents and carers are doing for our community and are proud to be supporting them as best we can.

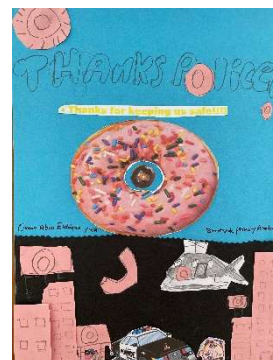

ACTIVITIES AT HOME

Thank you for continuing to send us photos of what you have been doing at home, the teachers have been delighted to hear from you and see all the great work and art you are producing.

Here are some of the brilliant photos that have been sent in by our pupils. We've been sent some fantastic art work, posters thanking the police force, and even a whole book written and illustrated by a pupil- well done!

Please do keep sending your messages and pictures into us at:

COVID-19 UPDATES

The school website continues to be updated regularly with home learning sheets and suggestions of useful websites.

For all updates Visit:
<https://www.brentsideprimaryacademy.co.uk/covid-19-information-to-parents/> .

Home learning sheets have been updated today- remember to do a little bit of work from them every day, and teachers are setting Purple Mash activities every week.

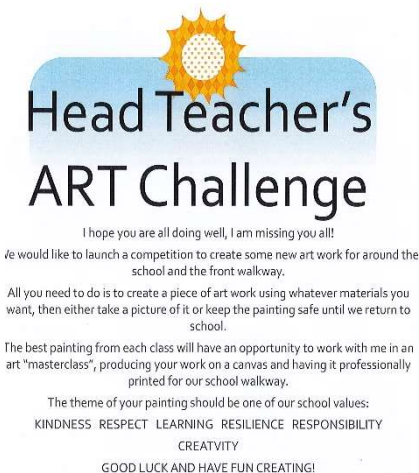

Remember your child can talk to their teacher via the Purple Mash blog: send an email in to say hello or send in some work that they have completed.

BPA Teachers are always willing to answer learning questions.

Head Teacher's Art Challenge

We have already received some fantastic submissions for the Art Challenge, and Mrs. Crosdale has been extremely impressed with the standard of work so far.

Details can be found below, and on the school website, please keep your entries coming!

**Head Teacher's
ART Challenge**

I hope you are all doing well, I am missing you all!
We would like to launch a competition to create some new art work for around the school and the front walkway.

All you need to do is to create a piece of art work using whatever materials you want, then either take a picture of it or keep the painting safe until we return to school.

The best painting from each class will have an opportunity to work with me in an art "masterclass", producing your work on a canvas and having it professionally printed for our school walkway.

The theme of your painting should be one of our school values:
KINDNESS RESPECT LEARNING RESILIENCE RESPONSIBILITY
CREATIVITY

GOOD LUCK AND HAVE FUN CREATING!

MESSAGE FROM THE HEADTEACHER

Well, it has almost come to the end of the 1st half of the summer term and what a vastly different one it has been.

We continue to miss you all and are always here to support you.

We are working towards a plan for a partial opening after half term, and we will be in touch with you soon to tell you about our plans.

Please remember that your child's education, health, safety and wellbeing is always our number 1 priority.

Stay safe and have a nice half term.

Mrs. Crosdale

KEEPING IN TOUCH

Emails continue to be checked regularly, so please let us know if we can support you in any way, and we will try our best to answer any questions you may have.

Please also keep sending in ideas, news and pictures of things that you are doing at home.

Any messages for teachers will be passed on to them and staff would be delighted to hear from pupils.
