

Our school link police officer has asked pupils at Brentside to produce some encouraging posters to be put up in local police stations.

They have asked for the posters to have the following included:

1)

- 1) A picture of something that makes them smile and feel happy or their favourite funny joke.
- 2) A message for the police example: "Thank you for making us feel safe"
- 3) If your parent is an Emergency Worker what do they do?
- 4) Their Age and School or if they feel happy to do so their Age, name (first name only) and school.

Try to make your posters eye catching and use all the art skills that you have learned at school.

If you would like to take part, please create a poster and then you can scan/photograph it and email it to the school or send it to us in the post.
