Daily literacy tasks

- | | |
|---|--|
| I have read my reading book and library book with an adult | |
| I have practiced CVC word cards and high frequency word cards | |
| I have practiced reading and writing tricky words | |

Music Activity: Rhyme Time

- Get your child to practice and perform the rhyme "I Hear Thunder"
- Create musical instruments from junk modelling with your child for them to make music to go alongside the rhyme:

ICT Activity: Purple Mash

Log in to Purple Mash and click on the reading and writing book, scroll along to Phase 3 Phonics and choose a phonic sound from the first page to complete the activity.

Art Activity: Craft Time!

With the seasons changing from winter to spring, there are a lot of art activities that can be done with your child. Go to this website to choose from lots of spring time activities: <https://fun-a-day.com/beautiful-spring-art-projects-for-kids/>

Maths Activity: Sharing

Introduce sharing to your child by getting various objects (e.g. sweets, toys etc.) and handing the objects out equally between you and your child. Get your child to record sharing on the sheet provided. Your child can draw the objects that they are sharing or write the number on the sheet. Go over sharing again on another day.

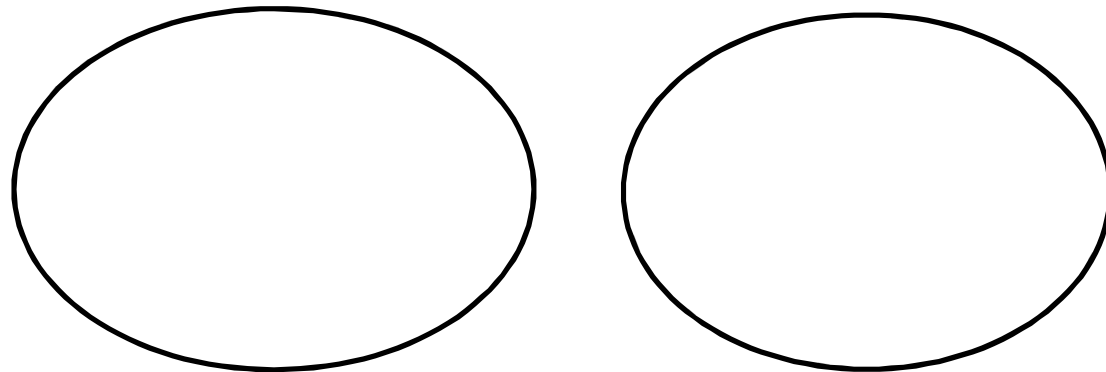

Literacy Activity: Story Writing

Help your child become an author by writing their own story! They need to think of characters and a simple plot, e.g. finding a magical object, getting ready for a party etc. In order for your child to make a super story they need to remember; capital letters, finger spaces and full stops. Get your child to write a bit each day and once finished your child can draw pictures to illustrate their story.
