Log on to <https://rockalingua.com/games>

You already know this site so feel free to browse the selection of games available. These Spanish games are fun ways to learn about colours, parts of the body, numbers, days of the week, feelings and much more “en Español!”

The games currently work on computers and tablets. There is no need for the Flash plugin anymore, but it is recommended to use the latest version of your browser when playing the games.

Have Fun!!!!
