

Year 1- Work in case of a forced school closure

On this sheet you will find a series of tasks and activities relating to each area of the curriculum. The activities are designed to be used in case we need to close the school for any reason beyond our control. You can complete these activities when you want and how you want over the time that you are off school. Each activity or task is related to your year group, designed to be open ended, and can all be done at home with minimal resources.
