

## Year 5 Work in case of school closure

On this sheet you will find a series of tasks and activities relating to each area of the curriculum. The activities are designed to be used in case we need to close the school for any reason beyond our control. You can complete these activities when you want and how you want over the time that you are off school. Each activity or task is related to your year group, is designed to be open ended, and can all be done at home with minimal resources.

### ENGLISH

- Read 5 newspaper or magazine articles. Summarise each in less than 20 words
- Read the lyrics to 5 songs you like on Youtube (make sure you search for the clean versions). Find examples of rhyme, alliteration, metaphor, similes, personification, imagery and symbolism.
- Write 3 sentences using each of the following types of punctuation : ; ? ! - ( ) ... ,
- Make a WANTED poster for someone in your house. Look for examples online to help you.
- Write a leaflet encouraging your neighbours to join in with applause for the NHS each Thursday at 8pm.

### MATHS

- Learn all times tables using the site 'Hit the button' to help. Also work on number bonds, halves, doubles and square numbers on the same site.
- On Purple Mash, complete all tasks set.
- Sketch 2D and 3D shapes in your house. Name each one. Count the edges, vertices and faces on each.
- Choose any time during the day. Work out what the time was: 10 mins before, 25 mins before, 45 mins before, 1 hour and 17 mins before. Then work out what the time will be in 10 mins, 30 mins, 45 mins and 1 hour and 45 mins. Do this each day please.
- Do 10 long multiplication and 10 long division sums.

### ART

Create a rainforest collage, picture or 3D representation.

### DT

Design and make a board game to keep you and your family entertained.

### SCIENCE

Can you find out why shadows appear to change shape over the course of a day? First research shadows for KS2 then try to explain why our shadows change their length. Try to make an experiment to show the change .

### RE

Write about your favourite story from your religion or any which you have studied. Include pictures where possible.

### PE

Think of different exercises and see how many you can complete in a minute. Keep trying to beat your record. Challenge others as well.

### COMPUTERS

Produce a rainforest collage of animals, plants etc using word or any other program.

### GEOGRAPHY

Research the plants, fruits and foods which can be found in the rainforests of the world. Produce a poster.

### HISTORY

Produce a poster with pictures about the mummification process in Ancient Egypt.

### MUSIC

Look at the lyrics to your favourite song. Can you write your own verse in the same style?

### PSHE

Draw a picture of a member of your family or a friend. Write around it all the things you love about this person.
