

HOW TO ACCESS REMOTE LEARNING SELF ISOLATION WORK ON PURPLE MASH

Step 1- Login into Purple Mash

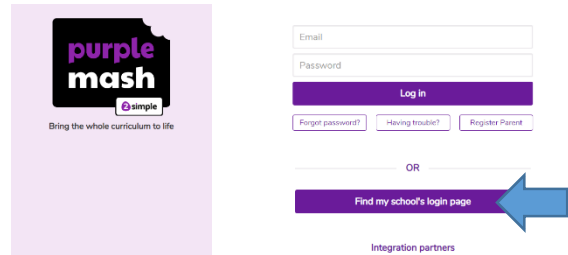

Login into Purple Mash using your child's login details. These were sent home at the start of the year. If you do not have the login detail, please contact the school office.

Web Address- This needs to be entered into your browser exactly as shown below

<https://www.purplemash.com/sch/brentside>

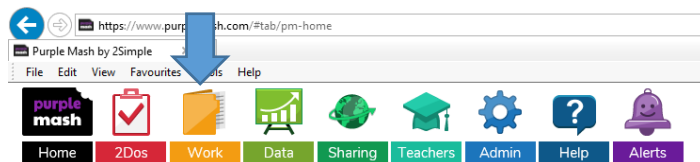

If the web address does not take you directly to the Brentside page, you can still access it by putting purple mash into google search and following the steps to **find my schools login page**. School's Postcode is W7 1JL

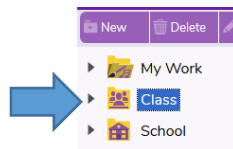

Step 2- Access the Correct Folder

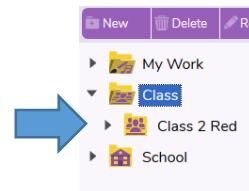

Select the work folder at the top of the screen. Class 2 Red has been used as the example class for this sheet, however, every class has their own set of folders.

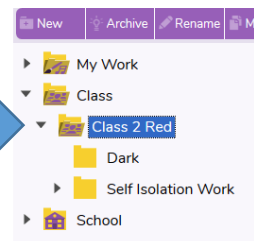

Then select the class folder.

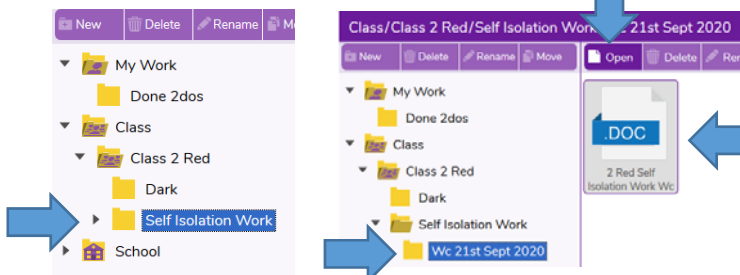

Then click on the small black triangle to open up the class folder.

Then click on the small black triangle to open up the Class 2 Red folder. There you will find the Self Isolation Work folder.

Then click on the small black triangle to open up the Self Isolation Work folder and there you will find folders with each week's work.

Double click on file to open

Step 3- Access the Self Isolation Work Instruction Sheet & Tasks

In the weekly folder will be an instructions sheet which sets out the tasks for the week. To open any files contained in the folder you will need to double click on them, or select open (in the purple bar above). Also in the folder will be any worksheets and activities that the Teacher has set. New work will be uploaded every Monday.
