SchoolPing-Samsung Phone Fix

How to ensure the SchoolPing App does not sleep which stops push notifications (message notifications) being sent to your phone.

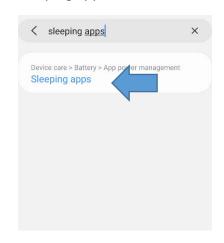

Step 1- Go to Settings Press the magnifying glass

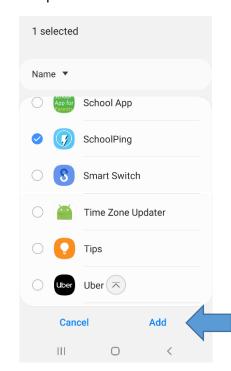

Step 4-Select to add app at bottom of screen

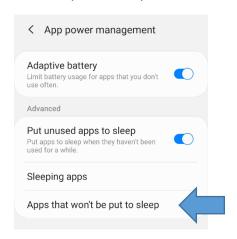

Step 2- Search for sleeping apps and select

Step 5- Scroll down and find SchoolPing and then select it then press add

Step 3 - Select Apps that wont be put to sleep

Step 6- SchoolPing will now appear in your list of apps that will not sleep
