

Brentside Knowledge Organiser - RE

Year: 1

Topic: Why is prayer important for many people?

National curriculum: Recognise the importance of prayer in the theistic religious traditions. • Understand the significance of private prayer as well as the place of prayer within worship activities in religious buildings.

What I should already know:

Some children can speak about something they or their family does in relation to their own religion.

What I should know at the end of the topic:

| | |
|--|--|
| | I understand who I can talk to when I am happy, sad, worried, excited or pleased about something |
| | I can explain what prayer is? |
| | I understand who can pray and why do people pray? |
| | I understand where different people pray and why these places are important? |
| | I understand that many people believe and pray |
| | I understand what prayer does for people and how does it make them feel. |

Timeline

What is prayer? Discuss how different religions pray in different ways? Why do people pray and how does it make them feel? Where do people from different religions pray?
