Topic: What is the place of the church in Christianity?

National curriculum: name different beliefs and practices, including festivals, worship, rituals and ways of life, in order to find out about the meanings behind them.

What I should already know:

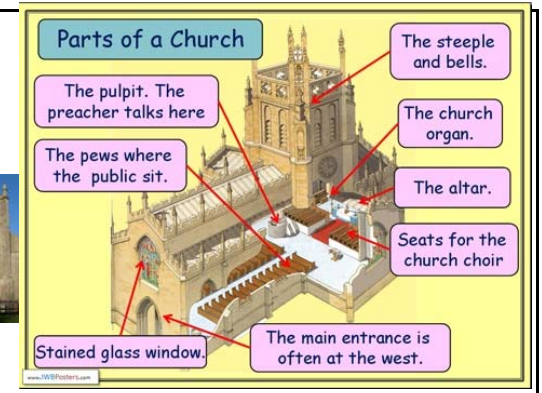

Children should be aware of the different religions.
Children should be aware of the places of worship for the different religions.
Children will know about non-theistic religions that do not have a god that they worship.
Children will know that some religions have a god and the place of worship is a sacred place where that god is celebrated.

What I should know at the end of the topic:

	I will know what the church means for Christians.
	I will know what the origins of the church are.
	I will be able to name main features of the church.
	I will know how the design of the church reflects Christian belief.
	I will know how the church is used for worship.
	I will know how churches might be different and who is in charge of them.

Timeline-what the church is, where the churches came from, what you might see in a church, why you might see these features in a church, how a church is used and why some churches might be different.
