Year: 2	Topic: What does the seaside look like? (collage)	National curriculum: to use a range of materials creatively to design and make products.
----------------	--	---

What skills I already have:

I have knowledge about the seaside (of the UK) and the typical features that you would see at seaside settings.
 I can design and evaluate products based upon its effectiveness.
 I can use glue to stick materials and decorations together.
 I have used fabric, sketches, printing and paint to create my own art this year.
 I can also create small parts of a bigger object to create a whole class product.

What skills I will have at the end of this topic:

Self-assess

I can create sketches of the seaside.

I can create a collage using different shades of the same colour to create an image.

I can design a collage of the seaside.

I can use different colours to create a collage of the seaside.

I can add detail to their collage to add realism.

I can evaluate my end product.

Key Questions:

What can we see in the seaside?
 Can we draw and colour a view of the place and use software to produce a picture too?
 What patterns and textures can we see there?
 What materials could we use to make a collage of a view?
 How can we all contribute to a class collage?
 Can we identify features of the seaside in our collage?
