

Brentside Knowledge Organiser - Humanities

Year: 2

Topic: Why do we love to be beside the seaside?

National curriculum: .

What I should already know:

There are different countries in the world that have similarities and differences between the UK.

That different climates in the world are caused by the equator, which means that countries will be hotter.

The continents of the world.

That different countries having different cultures and ways of life depending on their environment and other factors such as religion.

The features of a coastal area in the UK and how it contrasts with their local area.

What I should know at the end of the topic:

I will be able to explain where I have been on holiday and why I went there

I will know what attracts people to seaside resorts

I will know how a seaside town differs from my local area

I will know what lighthouses and lifeboats are

I will be able to explain what Blackpool used to be like in the past

I will know what I would find in a rock pool

Timeline: the kinds of holidays and reasons for holidays people have, what you might find at a seaside resort, how the seaside differs from our local area, what a lighthouse and a lifeboat is, what a seaside town would have been like in the past and what you might find in a rock pool.

Maps/Diagrams/Artefacts
