

Bretnside Knowledge Organiser - History

Year: 3	Topic: How did the Victorian period help to shape the area we know today?	National curriculum: Local History - A study of Local History taking account of a period of history that shaped the locality.
----------------	---	--

What I should already know:

I can understand was it like when the Queen came to the throne in 1953.
I can identify what were people like who lived in our town 100 years ago.
I know what my town looks like.

What I should know at the end of the topic:

I can understand what happened before the Queen came to the throne.

I can use a timeline within a specific period in history to set out the order events may have happened.

I can understand what Victorian architecture was like.

I can explain what changes happened during the Victorian times.

I can use my mathematical knowledge to work out how long ago events would have happened.

I can research how my local area has been shaped by the Victorian times.

I can use various sources to piece together information about a period in history .

I can describe events from the past using dates when things happened.

Timeline

Can I describe events from the past using dates when things happened?
Can I use a timeline within a specific period in history to set out the order events may have happened?
Can I use mathematical knowledge to work out how long ago events would have happened?
