Year 3

Topic: Why is pilgrimage important in some religious traditions?

National curriculum: Exploring and understanding the major religions of the world.

What I should already know:

I can identify the different places religions worship at.
 I know that there are different world religions.
 I know these religions have a God and/or prophets that they worship.
 I know that are other religions in the world that other people follow too.
 I can understand that worship can be done through prayer and these religions have a holy book and building.

What I should know at the end of the topic:

I can explain what is meant by pilgrimage in the context of religious life.

I can describe what is involved for pilgrims in taking part in a pilgrimage.

I can understand and am I able to describe the acts pilgrims undertake on the Hajj and explain the spiritual significance of each of these.

I can recognise the profound spiritual role that pilgrimage plays for those who participate in it.

Key understanding/ Learning opportunities-

Watch videos of people on pilgrimage and examine images.
 To speak about the special places that they have visited and the reasons why they are so important to them.
