

## Bretnside Knowledge Organiser - RE

Year5	Topic: What place do festivals/ worship and celebrations have within Hinduism?	National curriculum: Exploring and understanding the major religions of the world.
-------	--	--

### What I should already know:

Where Hindus worship  
 The differences between Hinduism and other world religions.  
 The names of Hindu Gods  
 Children have explored many of the world major religions and will understand that followers of the various religions worship and celebrate differently.

### What I should know at the end of the topic:

Worship	What does worship look like within the religion both at home and in the temple.
God/ Goddesses	Pupils understand the significance of Gods and Goddesses
Aum	How is this symbol used in worship? Why is it significant?
Celebrations	Why are festivals so common within the religion?
	How do Hindus celebrate?
Community	How are babies welcomed into the Hindu community?

### Key understanding/ Learning opportunities-

We understand and respect the significance of worship  
 Research several key Hindu Gods, exploring their significance  
 Research Hindu traditions, how can we see the religion in the homes of followers

### Maps/Diagrams

### Vocabulary
