

## Brentside Knowledge Organiser - Humanities

Year6	Topic: I'm a year 6 pupil, can you get me out of here	National curriculum: 1. use the eight points of a compass, four-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world 2. record the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.
-------	---	---

### What I should already know:

Capital cities within the UK  
Basic information linked to town and city  
Recognise features on a map. Refer back to their learning in year 4

### Maps/Diagrams

### What I should know at the end of the topic:

Birds eye map	I can draw a birds eye view of a well known area, identifying key features.
Link to history.	I will be able to explain why my town exists and what brought people to live there in the first place and why people live there today?
Compass reading	I can use an OS map, including compass point directions, to help someone plan a route between two local points.
Follow location directions.	I will be able to research and follow directions, on how to get from one point to another.
OS map	I can recognise the symbols on an OS map, and use it to give directions to find a location.
Suburban and rural	I am able to identify the differences between urban, suburban and rural areas and recognise the advantages and disadvantages of all.

#### Timeline:

1. Can I draw a birds eye view map of the school
2. Can I use an OS map, including compass point directions, to help someone plan a route between two local points?
3. Can I discuss the similarities and differences between urban, suburban and rural
4. Can I write a leaflet describing the different aspects of my community

### Vocabulary

Urban	An Urban settlement is a concentrated settlement that constitutes or is part of an urban area. It is an area with high density of human-created structures.
Suburban	A suburb is a residential district located on the outskirts of a city. If you live in the suburbs, you probably travel to the city for work.
Rural	A group of houses in the countryside, which can take the form of a dispersed settlement, a hamlet, or a village.
Birds-eye view	A view from a very high place that allows you to see a large area
Grid referencing	a map reference indicating a location in terms of a series of vertical and horizontal grid lines identified by numbers or letters.
Key	A <b>map key</b> or <b>legend</b> is included with a <b>map</b> to unlock it. It gives you the information needed for the <b>map</b> to make sense.
brochure	a small book or magazine containing pictures and information about a place
OS map	Ordnance Survey (OS) is the national mapping agency for Great Britain
Compass	An instrument containing a magnetized pointer which shows the direction of magnetic north and bearings from it.
Co-ordinates	each of a group of numbers used to indicate the position of a point
