

KS1 maths challenge

Have a look at the sets of four quantities below. Can you rank them in order from smallest to largest?

To help you decide, you may need to find extra information or carry out some experiments.

Can you convince us that your order is right?

Time

Taken to travel to school
For mustard and cress to grow from seeds
Taken to eat a biscuit
Between your 6th and 7th birthdays

Distance

You could jump up in the air
You can kick a football
You can run in half a minute
Length of a bug

Mass

Of a blown-up balloon
Of a bar of chocolate
Of a loaf of bread
Of your teacher
