

# BPA Challenges you! Wk4

Over the past few months, staff and pupils have continued to work hard on areas of the curriculum that they would have been exploring and learning in school. Well done to everyone who continued to access the home learning sheets, you should all be proud of your determination to learn and succeed.

For the remaining few weeks of term, we will be setting some home learning challenges around some interesting themes. We have chosen these themes based on our school values, our existing curriculum and current events that have been happening in the world.

## OUTLINE OF THE CHALLENGE:

### Where in the world is special to me?

Each child can choose a place in the world that is special to them.

This is a focus on the geography curriculum but it can be a specific country, area or place that they have visited that holds a special significance.

## SOME USEFUL RESOURCES OR WEBSITES TO USE:

<https://www.geography.org.uk/teaching-resources>

<https://www.natgeokids.com/uk/teacher-category/geography/>

<https://www.oxfordowl.co.uk/for-home/school-year/subject-guides/geography-at-primary-school/> (this website has lots of links to other external websites)

<https://www.kids-world-travel-guide.com/geography-for-kids.html>

<https://www.ducksters.com/geography/>

## Early Years activity ideas:

- Write the name of your chosen place using capital letters.
- Draw or colour in the flag of that particular country or place.
- Write a sentence or group of sentences starting with \_\_\_\_\_ is special to me because \_\_\_\_\_.
- Eat some food relating to that place with your family.

## KS1 activity ideas:

- Write a few sentences about the place you have chosen and why it is so special to you. Remember capital letters.
- Draw the flag or crest for that particular place and decorate it according to why it is special to you.
- Write a postcard to Mrs Crosdale imagining that you have been to that particular place during the school closure.

## KS2 activity ideas:

- Write a letter to someone that you know telling them about the place you have chosen and why it is so special.
- Create a powerpoint or poster about that place and what people might experience if they go there themselves.
- Create a guidebook for someone who might be visiting that place for the first time.

## An extra challenge:

There are lots of places that will be special to us at different times in our lifetime. For lots of people, this might be their primary school.

Can you create a image on a5 paper to show why Brentside is so special to you. Send these into the school for us to publish on the website over the summer.
