

# GRAMMAR CHALLENGE! Y5/6

This weeks whole school challenge in English is GRAMMAR and learning to use these key tools in your writing.  
This will help you consolidate your learning and get you ready for the next step of your learning journey.

These are the terms you should know:

Year 5:

Write a story based on a book character that you have read about this year. Can you identify as many of the grammatical terms that you have used in your writing?

Can you colour code this in some way?

Year 6:

Create a poster or revision aid for a year 5 pupil who will be in year 6 next year. Can you give them as much information about all the grammar terms that you know? Send these in to the school and the most detailed ones will be used to help next year's class!
