## ALL ABOUT ME...

Hello, my name is Mrs Ahmed, and I have been at Brentside Primary Academy since November 2017.

Welcome to Year 6! This is an exciting and important year, filled with opportunities to learn, grow and prepare for the next stage of your journey into secondary school.

My classroom is a place where everyone is encouraged to challenge themselves, make mistakes and learn from them. I believe that every child can succeed when they are given the right support, encouragement and opportunities. My aim is for every pupil to leave Year 6 feeling confident, proud of their achievements and ready for whatever comes next.

### Subjects I like to teach ...

English has always been one of my favourite subjects because it allows children to explore new worlds through reading and express themselves through writing. I love sharing exciting novels and encouraging pupils to become thoughtful, confident readers and writers.

I also enjoy teaching Maths and helping children develop confidence in reasoning and problem-solving. History is another favourite as I enjoy bringing the past to life, and I love teaching Art where creativity can truly shine.

### Interests that I have ...

Outside of school, I love spending quality time with my family, travelling and making memories together. I enjoy baking and trying new recipes, and I am passionate about reading.

One of my favourite sayings is:

"There is no such thing as a bad child, only bad behaviour."

I also believe that every day is a fresh start, and I encourage every child to learn from mistakes, keep trying and never give up.
