

Meet Your TEACHER

INTRODUCING

Miss Ibrahim

ALL ABOUT ME

Hello all! My name is Miss Ibrahim and I am thrilled to be joining Brentside Primary Academy. I am proud to be taught in Ealing as a child, having attended Mayfield Primary school and Brentside High school. My deep roots in this area have given me a unique perspective on the needs and aspirations of our students.

I have a passion for education and have been teaching for four years. I believe all children have a unique talent and potential, and my goal to create a supportive and engaging classroom environment where everyone can thrive. I am an avid traveller. I believe that exploring different cultures and experiencing new places greatly enriches us understand of the world.

I am truly excited to be your teacher and look forward to getting to know each and every one of you.

SUBJECTS I LIKE TO TEACH

I like teaching all subjects but particularly enjoy mathematics, geography, history and art. Mathematics offers a world of problem solving and critical thinking, while geography and history allow us to explore different cultures, societies, and events that have shaped our world. Art, on the other hand, provides a creative outlet for self-expression and a means to appreciate the beauty around us.

INTERESTS THAT I HAVE

In my free time I enjoy swimming and trying to stay fit but also a source of relaxation and tranquillity.

I also enjoy spending quality time with my family. Family is very important to me as we provide each other with support, love and guidance. I cherish the moments I get to spend with my loved ones, engaging in various activities such as outing, games nights and shared meals.

AN INTERESTING FACT ABOUT ME

An interesting fact about me is that I was born in Somaliland many years ago but could not stay due to the war so my mum bravely fled to provide a better future for me and my brother. I came to the UK when I was only 4 years old and could not speak a word of English.
