

Meet Your TEACHER

INTRODUCING

Mrs Ahmed

ALL ABOUT ME...

Hello, my name is Mrs Ahmed and I have been at Brentside Primary Academy since November 2017.

Welcome to Year 5, I'm excited to meet you and make this the best school year yet. Full of fun, learning and adventure.

I love teaching in many different styles, who knows we might just eat pizza in maths when it's time to learn about fractions. If it helps you understand, I don't mind.

I am a strong believer that all children can learn and succeed, but not in the same way and not on the same day. Seeing you learn and progress is my goal.

Subjects I like to teach ...

My favourite subject to teach is English because I get to read many interesting stories of fiction and real-life events. For example, I just wonder at times how much fun would I have missed if I would not have read the Harry Potter series. I also like teaching Art and bringing out your creative side whether it's a painting or getting messy making a clay sculpture. Maths is also another favourite, get ready to learn maths through poems, rules and each year groups favourite: songs.

Interests that I have ...

I enjoy going on holiday with my family and relaxing. I love to bake and try out new recipes. Reading is something I am passionate about, as a child I always remembered my favourite teacher said 'reading is dreaming with eyes wide open'

My favourite sayings in my class is 'there is no such thing as a bad child only bad behaviour' and I truly believe this as well as 'every day is a fresh start.'

An interesting fact about me ...

I love life quotes and you will learn plenty throughout the year. My favourite colour is pink and my favourite animal is a giraffe.
