INTRODUCING

Miss Graham-Minott

ALL ABOUT ME

Hello, my name is Miss Graham-Minott! I was born and raised in West London. I have a big family who I love very much. I studied at St Mary's University for my PGCE Primary with PE Specialism. I have worked with children for as long as I can remember. I enjoy sports and range of activities like volleyball, tennis, go karting and obstacle courses. I like to keep active, having fun and lots of laughter!

I have been a part of Brentside Primary Academy for many years now. This year will be filled with learning and growth together as a class, I cannot wait to see what the year has in store for us. I am looking forward to getting to know you all!

SUBJECTS I LIKE TO TEACH

I like to teach all subjects but PE and Maths in particular. Physical activity encourages learning outside the classroom and can be used in all subjects, including maths! Physical Education helps us to move more freely and our wellbeing. Sometimes Maths can be hard because it is difficult to understand the concepts, but I hope my teaching can encourage you to be more confident learners!

I did not always enjoy these subjects when I was at school, but I have grown to enjoy and love them. There are always parts of subjects that we do not enjoy, but as long as we get involved and try our personal best that is the most important thing. I am looking forward to sharing my knowledge and making learning enjoyable, so we have some '**EUREKA**' moments.

INTERESTS THAT I HAVE

When I am free, I like to spend time with family and friends, shopping and going out to eat. I also like to go to the cinema or stay at home and watch Netflix (especially when it is cold and wet outside).

I enjoy learning and exploring new things – give me a challenge and I will have a go. Not forgetting, I like holidaying in a sunny destination with sea, beaches and beautiful sunsets.

AN INTERESTING FACT ABOUT ME

I enjoy baking! I always used to make banana cake for my sister and her football team – it was their favourite!

Not forgetting, North London is Red… Arsenal is my team.
