## INTRODUCING

Miss Amir

## ALL ABOUT ME

I have been working at Brentside Primary Academy for many years so many of you may have seen me around the school! I love being at Brentside and I hope next year is filled with the same fun, hard work and enthusiasm as this year has been.

I am bilingual which means I can speak two languages (English and Pashto) because I was born in Afghanistan. However, even though I came to England when I was much younger, I do visit often.

I love being a teacher but if I wasn't one I would have probably been a doctor!

## SUBJECTS I LIKE TO TEACH

There are many subjects I enjoy teaching, but in particular I would say English and Art.

I have a great love for language and thoroughly enjoy reading. Therefore, when I read what children can create in a lesson or over time it also inspires me!

Art is another favourite of mine as similarly with English, people get to express their creativity and produce something unique. I love to see the end product!

## INTERESTS THAT I HAVE

Aside from reading (which I do a lot of in my spare time) I also enjoy travelling. I have been to many different countries and enjoy exploring different cultures and history.

One of my favourite places I have been to visit is Jordan. I was able to visit one of the world's wonders – Petra!

## AN INTERESTING FACT ABOUT ME

I am one of 6 children! Yes, I have a big family. I have 3 sisters and 2 brothers. I grew up in a very noisy environment!
