

Meet Your TEACHER

INTRODUCING

Mrs Ferynska

ALL ABOUT ME

Hello! My name is Mrs Ferynska, and I am excited to welcome you and your child to our nursery class. I have been working at Brentside Primary Academy since September 2011 and have spent the last 5 years teaching in Nursery.

I can speak two languages: Polish and English. I'm passionate about early childhood education and believe that learning through play and practical exploration is the foundation for lifelong curiosity and confidence. I look forward to a fantastic year full of fun, growth, and discovery!

I can't wait to meet you all.

SUBJECTS I LIKE TO TEACH

I like teaching all subjects but particularly enjoy Design & Technology as I hold a Master's degree in General Technology Teaching and currently I am the Design and Technology (DT) Lead at our school. I love bringing my DT skills into the nursery to create exciting, hands-on activities and projects. These experiences help children explore, discover, and learn in creative and meaningful ways.

Singing and dancing are a big part of life in our Nursery, every day we have a lot of fun singing and dancing together.

INTERESTS THAT I HAVE

Outside of school, I live with my husband, our two children—aged 16 and 11—and our beloved cat. In my spare time, I enjoy gardening, spending time outdoors, and doing art and DT projects at home. These hobbies allow me to stay creative and bring fresh ideas into the classroom. I also love to dance and attend Zumba class. We might try it in your class!

I am so excited to be your new teacher so I can learn all about your hobbies and interests.

AN INTERESTING FACT ABOUT ME

An interesting fact about me is that every summer, I go on many hiking adventures, which helps me relax and reconnect with nature.
