WINTER CONCERTS

Our pupils put their all into performing winter and Christmas songs for their parents and families. The children gave fantastic performances and brightened up everyone's day with their festive efforts. A big thank you to Ms. Murphy and the class teachers and TAs for all their hard work in planning, preparing, and running the concerts, and a thank you to the parents, guardians, and family who came along to support (& sing along with some festive classics too!)

WINTER FAIR

Brentside's Winter Fair was held last week and was a wonderful afternoon! Each class sold the goods they had designed and made in Enterprise fortnight, while we had many parents offering a range of delicious foods or ideal winter gifts. Meanwhile, there was the chance to try your luck in our raffle and win one of our fantastic prizes. We also had a range of drinks and snacks to keep everyone warm and full. The winning classes for Enterprise were 2 Blue in KS1 with £57 profit and 6 Red in KS2 with £158.72 profit- congratulations! However, everyone agreed that all classes did a fantastic job with their stalls. Overall, we raised a huge **£1281.58** for Brentside, every penny of which will go towards improving the school for our pupils. A priority this year is continued rejuvenation of our playground and sports equipment. Thank you to everyone who came along and helped to make the Fair a success.

RECENT LEARNING

Y1 have made timelines of important events which have happened in their lives, and have started a "Busy Book" in Art. **Y3** had a fun orienteering activity in PE where they designed treasure maps in groups and had to hunt for items. In **Y4** Jeyda brought her amazing collection of gymnastics trophies in to share with the class- well done Jeyda! Y4 also sewed pencilcases for their DT week projects. In **Y5** History, pupils held a fantasy talk show with Athenians and Spartans as guests! In **Y6** Science pupils were measuring shadows, and 6 Blue held their class assembly on their RE topic of Hinduism & Diwali.

MESSAGE FROM THE HEADTEACHER

It has been lovely to see so many of you over the last few weeks, at Parents' Evening, our Winter Fair and our Christmas singing concerts.

The support you show your children and the school is important to us and helps to build our school community.

All the concerts were full of energy, joy, and enthusiasm and really lifted our spirits in the final weeks of a busy first term.

We have plenty more going on next week so please keep an eye on your SchoolPing for reminders.

Have a great weekend!

Mrs. Crosdale

WINTER FAIR THANK YOU

Our Winter Fair could not have gone ahead without the tireless hard work and generosity of many individuals and companies. Thank you to staff for their organisation and help and those parents who mucked in to help set up (especially our Chair of Governors Eilidh!), Sai'id' and Savin's families for their generous donations, and to the parents and families who ran a stall. The following organisations kindly donated prizes for our raffle, which alone raised £330! **Thank you.** We are lucky to have so many amazing cultural spots in our local area, please do consider visiting them if you are able to.

YEAR 1 ELF ON THE SHELF

5 RED SCIENCE MUSEUM

It was 5 Red's turn to visit the Science Museum last week. They had an amazing day exploring the space section- their Science topic this term.

Skills Builder: International Volunteers Day
Challenge: Pass it on!

International Volunteers Day isn't just about big projects; it's about the daily act of lifting others up. This challenge gets learners to use their Leadership skills to support others to thrive.

The "Pass It On" Challenge

The challenge: Become a micro-volunteer today. Find one person - a classmate, family member, or friend - who is stuck on a task that you know how to do (e.g. using a toy, solving a problem, or organising a task). Your mission: Spend 10 minutes helping them solve it, but follow this one rule: You cannot touch the task. You must keep your hands behind your back and use only your words to guide them until they succeed. Reflection: True leaders don't just fix problems; they build the capacity in others to fix them. How did it feel to step back and let them take the win?

Year 1 have had some mischievous visitors recently- cheeky little elves Milo and Sparkles have been causing chaos and fun for Y1 every night and also getting involved in their learning. What will they get up to next?!

DRAYTON MANOR CONCERT

Y6 were invited to Drayton Manor High School this week to enjoy their winter musical show. Pupils were treated to some drinks and enjoyed the music and seeing the facilities on offer in one of their possible future high schools!
