Number Day

Tuesday 27th January 2026

Friday 6th February- Come dressed in Number/Maths themed outfits with a £1 donation for the NSPCC!

Dear Parents/Guardians,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 6th February 2026**.

Everything the NSPCC does protects children today and prevents abuse tomorrow.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

NSPCC Number Day makes maths meaningful and is a great way to make numbers fun and bring about a positive, ‘can-do’ attitude towards mathematics.

- We are having a fun day of maths activities, and we will be taking part in **Dress up for Digits**. Pupils are asked to wear an item of clothing with a number on it (sports top, football, rugby, netball, hockey shirt or cap). Or get even more creative and become a human calculator, dice or domino by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for donations of **£1**.
- We are taking part in an in-class workshop called ‘Maths Around the World’ where will be taking part in maths challenges to support Phileas Fogg to travel the world in eighty days!
- Year 2-6 will be taking part in the NSPCC TTRS challenge to see which class can answer the most questions. This is open from 7.30am-7.30pm and pupils can take part at home too.

We’re really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you for your support!
