

THE BRENTSIDE BULLETIN

SPRING TERM 2025-26

Issue No. 001

Date: 13th March 2026

YEAR 1 PITZHANGER TRIP

Year 1 took a trip to Pitzhanger House. We looked at an artist who was famous for making prints. We had lots of fun recreating the artist's work, as well as exploring the house which is over 200 years old.

If you would like to visit and are an Ealing resident, you can visit for free or pay what you like on Sundays. Free for those on universal credit.

Please visit their website for more information as pre-booking is required.

HEALTH FAIR WINNERS

Congratulations to Keisha (1B) and Sara (5R) winners of the Health Fair's 'Yellow Hampers'.

YEAR 3 DT

Year 3 have been learning about pneumatic systems in DT where air is used for different purposes to support the efficiency of the work performed. They explored, designed and created their own moving monsters which move due to the pneumatic system they came up with.

SCIENCE BOFFINS WORKSHOP

During Science Week this year, the children explored the theme of "Curiosity", learning how asking questions helps us discover and understand the world around us.

The week started off with a bang with an exciting Science Boffins workshop, which all the children thoroughly enjoyed. Throughout the week, the children researched their chosen scientists and learned about their important discoveries. They also took part in a science poster competition and enjoyed dressing up as scientists, proudly sharing who they had chosen. The children also carried out a range of fun experiments and investigations, encouraging them to think, question and explore like real scientists.

SCIENCE DAY DRESS UP

As part of British science week, children took part in dressing up as a scientist

NURSERY SCIENCE DAY

Our nursery class had an exciting Science Week filled with fun discoveries and hands-on experiments. The children explored how colours mix and change, creating their own bright combinations. One of the highlights was making a volcano erupt using bicarbonate of soda, vinegar and red food colouring. The children watched with amazement as the "lava" bubbled up and overflowed. Everyone loved the experiment and had a wonderful time learning about science through play and exploration.

WORLD BOOK DAY

World Book Day was held at Brentside on Thursday 5th March. World Book Day is an annual celebration to promote the joy of Reading. Pupils are encouraged to dress up as their favourite book characters. This year Author Paul Gerraghty visited and held a workshop on his book, Dangerous Dinosaur, which was available to purchase in the playground after school. As always, there was excellent participation for World Book Day.

MESSAGE FROM THE HEADTEACHER

The last few weeks have been busy at Brentside! Trips, World book day, Science week, all mixed in with pupils carrying out spring term assessments. Children's brains are working hard! The atmosphere around school, as always, is engaged and calm as pupils go about their day to day learning. Don't forget to book your parents evening appointment in a few weeks' time. Happy Mother's Day to all the Brentside Mums. Have a great weekend! Mrs Crosdale
