

THE BRENTSIDE BULLETIN

SUMMER TERM 2025-26

Issue No. 007

Date: 26th June 2026

HANWELL CARNIVAL

A huge thank you to everyone who supported our stall at the carnival this year. We were delighted to see so many families, friends and members of the community come together to enjoy this event.

We are incredibly grateful to the staff, volunteers who gave up their time to help set up, run activities and tidy away afterwards.

Your support and contributions helped us raise £302.55 that will be put towards the bagel fund.

WORLD MUSIC DAY

On Friday 19th June Brentside celebrated World Music Day. Pupils were encouraged to come to school dressed as their favourite popstars and musicians.

The Brentside choir sang at the World Music Day assembly and a number of pupils showed off their skills with their musical instruments.

Later in the day each class took part in some karaoke!

FOOTBALL TOURNAMENT

On Friday 12th June our Year 6 boys took part in a football tournament.

One of our players, Kareem, scored 13 goals in 5 matches and received an award as the Player of the Tournament.

ICE CREAM PARLOUR

Thank you to everyone that supported our ice cream parlour after school on Wednesday 24th.

The event was held in the hall due to the heat and the turnout was amazing! We ran out of chocolate ice cream, luckily there was enough chocolate sauce and chocolate sprinkles to make up for it!

We managed to raise £335 for the bagel fund.

BAGEL FUNDRAISING EVENT

The next event to raise money for the Bagel Fund is Inflatable Fun.

After school on Thursday 16th July 2026

Children will be able to pay 50p per go to use the inflatable equipment. They will get one turn on the large inflatable slide and 1 turn in the Spiderman Bounce House and slide.

Please bring change to this event if possible.

BAGEL FUND

We will be reporting on the total funds raised towards the bagel fund. Current Total = **£1,743**

RECEPTION'S HANWELL ZOO VISIT

Reception had a fantastic day at Hanwell Zoo! We enjoyed seeing lots of amazing animals, including meerkats, flamingos and llamas, to name just a few. The children loved spotting the different animals and talking about their features and habitats.

After our zoo adventure, we spent some time at the local park, where we explored the maze and enjoyed playing together outdoors.

This trip supported our learning in the EYFS by encouraging children to learn about the natural world, observe living things closely, ask questions, and develop their communication and social skills through shared experiences. It was a wonderful day filled with discovery, excitement and plenty of smiles!

ANTI BULLYING AMBASSADOR TEAM

I have had an excellent journey on the Anti Bullying Ambassador team (ABA), from talking about what bullying means, to doing events like 'Smile and Compliment' day.

I remember on our first meeting we talked about being upstanders and not a bystander. We also spoke about not getting involved but helping on the side-lines, to tell a teacher or support the person getting bullied. I remember when it was mental health week, we did exercises and then talked in class about mental health and what it is.

I was extremely proud when we did our assembly with the Communication team. I think we explained our point, it was a good assembly and points were explained very clearly. Recently we have had 'Smile & Compliment' day, we spoke with classes explaining the day. We had pieces of paper to write compliments to members of the class. Everyone enjoyed it. We also had a Health Fair that was AMAZING, unfortunately I could not attend as I was ill.

Overall, I think being part of ABAs was great, I will definitely try to be one next year. I would recommend being an ABA as it is a great experience. **Betsi (Yr6)**

Summer sports camp 2026

at Brentside Primary Academy

Open to all children in Year 1-6 in the local area

Come and join Mr Pierce (PE teacher at Brentside Primary Academy) and coaches for approx. 8 hours of fun and games daily on the following dates:

MESSAGE FROM THE HEADTEACHER

Thank you to the children, staff and parents for their resilience and support during the recent spell of hot weather. We are fortunate to have air-conditioned learning spaces, which has enabled us to remain open and keep classrooms comfortable for learning throughout the high temperatures.

I have been particularly impressed by how everyone has adapted so positively to the necessary changes in the curriculum and the rearrangement or postponement of some trips and activities. The flexibility, understanding and positive attitude shown by our whole school community has been greatly appreciated.

Thank you all for working together to ensure that learning has continued successfully despite the extreme heat. Fingers crossed we are able to continue with the rest of our terms events without too much interruption. We will keep you posted if any arrangements need to change.

Thank you to those of you who popped along to support the school at Hanwell Carnival and the staff who helped out to arrange this. Have good weekend.

Mrs Crosdale

UPCOMING EVENTS
