KS2 SCHOOL DISCO AND KARAOKE

The KS2 Disco with Karaoke took place on Thursday 4th June 2026. The Karaoke was extremely popular with lots and lots of pupils wanting to sing on the stage, unfortunately we ran out of time to fulfil all the requests to sing that we had as there were so many.

If your child attended that disco we hope they enjoyed themselves.

5 BLUE AUTHOR VISIT

During a recent visit to Brentside High School, pupils had the exciting opportunity to meet author and engineer Yassmin Abdel-Magied.

She was an engaging and inspiring speaker who immediately captured the attention of the audience. Throughout the session, pupils were fully involved, listening intently and asking thoughtful questions about her life, career, and experiences.

Yassmin shared her remarkable journey with honesty and enthusiasm, encouraging students to pursue their ambitions and believe in their potential.

Her powerful story and positive message left a lasting impression on everyone who attended, making it a truly memorable and inspiring event.

ATHLETES IN SCHOOL

Brentside were lucky enough to have guests, Chad Miller and Kristal Awuah, two Great British Sprinters, visit and teach PE from Reception to Y6.

Chad and Kristal are both U20 World Championship medallists and hold national titles. The athletes shared their journey of becoming an athlete, their inspiration, morals and values that helped with their achievements.

The children had great fun learning about what it takes to become an athlete and tested out their speed, agility and listening skills. Many children predict Chad and Kristal will be future Olympian's and have received autographs already!

At Brentside, we look forward to the many talents due to come from the next generation and are all geared up for Sports Day the first week of July.

MY TIME AS A COMMUNICATION TEAM MEMBER

I became a member of the Communication Team in September. Our job was to ensure pupils opinions were heard and listened to.

The first big event we hosted was the Health Fair, the purpose of it as to support the health of the school's community, both mental and physical. We followed that with a cake sale, as we needed to raise money to buy bagels for the coming year. We had 'Smile & Compliment' day where we paying compliments to each other throughout the day. "I gave compliments to al the teacher because I wanted to make them happy". We finished the year with a KS2 disco.

We also want the pupils to learn more about the Right of the Child. Some of us attended a meeting with a Rights adviser, where we spoke about the rights at Brentside and managed to be awarded the Silver Award. I am happy to be part of the Communication Team because Article 12 states 'Every child has the right to be heard'.

HANWELL CARNIVAL SATURDAY 20TH JUNE

Brentside Primary are taking part in Hanwell Carnival. We will have a stall at Elthorne Park where you can take part in games.

We will also be selling Lego, Squashmallows and other toys which were generously donated to the school by Mrs Champion, a parent from year 3.

There is still time to send in a packet of sweets that we can use as a prize for our games on the stall. All the money we raise is going towards the bagel fund.

MESSAGE FROM THE HEADTEACHER

Despite the rather horrible rainy weather this week, it certainly hasn't dampened the fun and enthusiasm at Brentside! A special well done goes to our Year 1 pupils who completed their Phonics Screening Check this week. The week previously it was Y4 who completed their Multiplication test with just as much determination. We are incredibly proud of the way they approached the assessments, trying their very best and demonstrating the progress they have made throughout the year. Well done all.

It has also been a very sporty few weeks across the school -We were delighted to welcome athletics visitors who inspired and engaged our children in developing their sprinting style and skills. Alongside this, pupils have been taking part in our intra-school competitions, showing excellent teamwork, determination and sportsmanship. It has been fantastic to see so many children embracing the opportunity to challenge themselves and support one another.

As we look ahead to next week, many of our children will be gearing up for their end-of-year assessments. We are confident that every child will put in 100% effort, and that is all we can ask.

Enjoy your day off on Monday and we hope for some brighter weather ahead.
