

Friday 18th October 2024

Cultural Day- Friday 25th October 2024

Dear Parents/Guardians,

We have been celebrating and learning about Black History across October, and pupils will attend an assembly at the end of the month to share everything they have learned and discovered. Children will share their knowledge and display artwork they have created as part of the celebrations.

We also wish to celebrate the diversity of our own school community on **Friday 25th October**:

Cultural Clothing

Pupils are encouraged to wear clothing from their own cultural background or heritage, or the colours of their flag to school on Friday 25th.

Cultural Food Dish

Anyone who wishes to is also welcome to bring a small food item or traditional food dish from their culture to share with their class on Friday 25th, if they are able to.

We ask that you please ensure that any food brought in DOES NOT CONTAIN NUTS and if possible attach an ingredients list for any home-made items.

Please do not feel pressured to provide any food items if you are not able to, all pupils will still take part in activities.

We look forward to celebrating the many cultures represented at Brentside as a school community, and thank you for your continued support.

Yours faithfully,

Khadi Graham-Minott
History Lead
