## Putting Children First

### Every Day at School Makes a Big Difference!

Regular attendance helps your child to learn, grow  
and achieve their full potential.

Happy  
children  
learn,  
flourish  
and thrive!  
♡

#### Why is school so important?

School gives your child:

- ✓ The best chance to learn and achieve.
- ✓ Opportunities to build friendships and develop social skills.
- ✓ Access to a wide range of experiences and enrichment opportunities.
- ✓ The support of caring staff who are there to help.

Confidence,  
friendships,  
learning,  
for life.  
♡

#### The impact of missing time from school

Even a small amount of time off  
can make a big difference.

- Regular absence means children fall behind in their learning, which can be hard to catch up on.
- They may miss important lessons, topics and key skills.
- It can affect their confidence, friendships and overall wellbeing.

Every day counts.  
The more they are here,  
the more they learn, the more they achieve.

#### Taking term time holiday

It might seem like a great opportunity,  
but it can have long-lasting consequences.

- Children miss valuable teaching and learning time that they cannot get back.
- They can fall behind their peers, which may affect their progress and confidence.
- It can lead to gaps in learning that are difficult to close.

Family time is important,  
but school time builds their future.

#### The impact of not being punctual

Arriving on time sets the right start to the day.

- Children who are late miss important learning time, such as catch-up, instructions and key activities.
- It can make them feel rushed, flustered and anxious.
- They may miss time with their friends, which can affect social skills and confidence.
- Regular lateness can become a habit, which is harder to break the longer it continues.

Be on time,  
get settled, be ready to learn.

#### We're all in this together

At Brentside Primary Academy, we value the partnership between home and school. Your support with attendance, punctuality and avoiding term time holidays makes a real difference to your child's learning and future.

Thank you  
for your support!
